November 15, 2004

Habig-Magoon Insurance  
Attention: Kathy

Dear Kathy,

Thank you for your contribution and thinking of us with the Bears on Board program. We are excited to be a part of this program. We will carry these bears in the police cruisers and have them available for children going through a crisis situation. In several situations, we find that children are comforted by this gift during these times.

Sincerely,

Thomas F. Kominsky  
Chief of Police
